

# Patient Computer Instructions for Skype for Business

1. **Double Click** the meeting request in your Email or Calendar.

2. **Click** on the **BLUE Join Skype Meeting** link

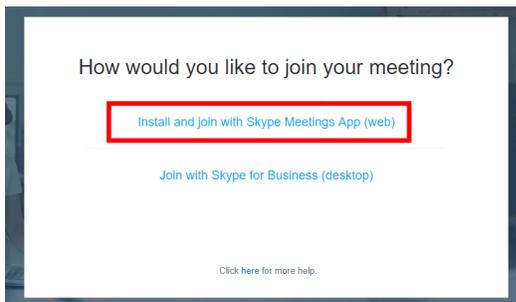

4. It will ask you to Enter your Name and **Click on Join**

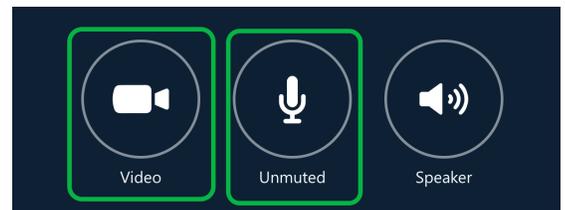

3. If you have never used Skype it will ask “How would you like to join the meeting.”

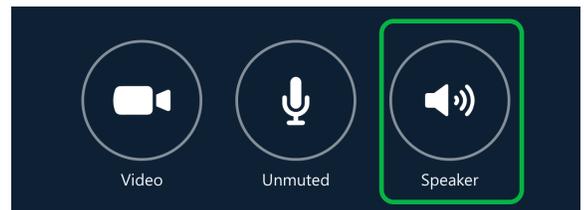

**Choose Install and Join with Skype Meeting App (Web)**

5. Make sure you **Click** on the **Audio** and **Video** Buttons

**If you cannot hear the Nurse, Click the Speaker button.**

**If you are unable to get connected with Skype on the computer please call our office at 535-1502**
