

If you would like a price estimate for another health care service, please call a patient financial services representative at 406-535-7711.

You must first agree to this Disclaimer outlined below before you can view our pricing information. Thank you.

My Cost – Disclaimer Agreement

Please read and agree to this disclaimer so that you are fully aware of the variations that can occur when comparing prices in health care.

The estimated charges provided on the following pages are intended to give patients an estimate of the prices and payments for the more commonly provided health care services at Central Montana Medical Center in Lewistown, Montana. This information is an estimate only and is in no way a quote or a guarantee of the amount that you will owe or what the charges for a service will be. The estimates cannot and should not be relied on as the actual charges and/or payments you will be responsible for paying, as the actual charges and/or payments may be either lower or higher than the estimates depending upon many factors – including, but not limited to, your physician's treatment choices, actual services rendered, complications and your particular health care needs. The estimated charges are based on the information you enter on the following pages.

If you request an estimate for a surgical procedure, this estimate will only include the hospital facility charge and the hospital anesthesia charge.

If you have insurance coverage, your insurance policy coverage (including deductibles, network coverage, co-pay, co-insurance and out-of-pocket maximums) will help determine the amount you owe.

*The information provided on the following pages is not a contract for the actual amount patients will be required to pay. You will be held responsible for the actual amount you owe determined after services are rendered. **NOTE:** The estimated cost is not a guarantee of insurance coverage. Please check with your insurance company if you need help understanding your benefits for the service chosen.*

I HAVE READ AND UNDERSTAND THE ABOVE DISCLAIMER AGREEMENT AND I FULLY UNDERSTAND THAT THE INFORMATION ON THE FOLLOWING PAGES ARE ESTIMATES ONLY. THE ACTUAL AMOUNT I WILL BE REQUIRED TO PAY MAY BE, AND LIKELY WILL BE DIFFERENT (HIGHER OR LOWER).

I UNDERSTAND AND AGREE.

Q. Why aren't all of Central Montana Medical Center prices listed here?

A. Central Montana Medical Center is evaluating the interest and helpfulness of having pricing information available on our website. We currently display only the pricing for the most common health care services at Central Montana Medical Center

Q. What if I can't find the pricing for a particular health care service or procedure?

A. Please call our Patient Financial Representatives at 406-535-7711.

Q. Why do you only include an estimate rather than the exact price?

A. Our prices are not a quote or a guarantee of the amount that you will owe or what the charges or a service will be. The estimates should not be relied on as the actual charges you will be responsible for paying, as the actual charges may be either lower or higher. Estimates depend upon many factors – including, but not limited to, your physician's treatment choices, actual services rendered, complications and your individual health care needs.

Q. If I have a surgical procedure done, are all of the costs included in the estimate you provide?

A. The estimate will only include the hospital facility charge and the hospital anesthesia charge

Q. Will my insurance affect the estimate?

A. If you have insurance coverage, your insurance policy coverage (including deductibles, network coverage, co-pay, co-insurance, and out-of-pocket maximums) will help determine the amount you owe.

Q. I may need financial assistance for my health care services. Who should I call?

A. [Click here](#) to find out more about making payments and other financial options. You may also call 406-535-7711.
